 <p>A close-up photograph of a bow-shaped brooch. The brooch is made of a dark metal, possibly blackened silver, and is set with numerous small, round, reddish-brown marcasite stones. The stones are arranged in a pattern that follows the curves of the bow.</p>	Marcasite bow	\$420
 <p>A photograph of a large, ornate brooch. The brooch is made of a dark metal and is set with numerous small, round, reddish-brown marcasite stones. The stones are arranged in a pattern that follows the curves of the brooch, which has a complex, swirling design.</p>	Marcasite brooch	\$420
 <p>A photograph of a small, clear glass perfume bottle. The bottle has a faceted, cut-crystal design and a matching stopper. It is set against a light blue background.</p>	Crystal cut perfume bottle	\$520
 <p>A photograph of a clear glass perfume bottle with a rounded body and a decorative stopper. The bottle is set against a light blue background.</p>	Perfume bottle	\$520
